

# SAFETY TRAINING

Full range of safety training, both methods and standards-based.

## 1. Workforce

- Joint Health and Safety Committee Certification
- Office Workplace Specific Hazard Training
- Industrial Workplace Hazard Training
- Healthcare Workplace Hazard Training

## 2. Managerial

- OHS for Managers and Supervisors
- OHS Due Diligence
- Project and Construction Safety Management
- OHSAS 18001 Awareness
- OHSAS 18001 Implementation

## 3. Professional

- Process Change Safety Management
- Pre-start Health and Safety Review for Professionals
- Machine and Process Safeguarding
- Occupational Hygiene Intensive Short Course
- Workplace Chemical Regulations
- Environmental Protection Regulations
- Indoor Air Quality

sales@aisc-group.com

Office -1st Floor Alhorria Building  
13 Fawzey Moaaz Street, Alex., Egypt.

#### **4. Operational**

- For Health and Safety Committee Certification
- Air Sampling and Analysis
- Noise Monitoring, Mapping, and Dosimetry
- Exposure and Risk Assessments
- Designated Substance Surveys
- Indoor Air Quality
- Occupational Disease Claims Consulting
- Occupational Health and Hygiene Audits

#### **5. Hazard Control**

- Confined Space Safety
- Hazard Control Ventilation
- Environmental Infection Control
- Exposure Control Programs
- Air Emissions Certificates

#### **6. Advancing Health and Safety**

- Resource Environmental Associates
- Occupational Hygiene and Environmental Health
- Ergonomics Analysis
- Task Hazard Analysis and Documentation
- Safety Engineering Design and Specification
- Physical Demands Analysis and Documentation

szalady@aisc-group.com  
sales@aisc-group.com

Office -1st Floor Alhorria Building  
13 Fawzey Maaaz Street, Alex., Egypt.

- Area Classification of Hazardous Locations
- Manufacturing Risk Assessment
- HAZOP Studies
- 7. Safe Operating Procedures**
- Safeguarding Verification
- Compliance Assurance
- Fire Code Compliance Audits
- Pre-start Health and Safety Review
- Process-related Environmental and Occupational Hygiene
- 8. Investigation**
- Critical Incident Investigation and Analysis
- Safety Engineering Training
- Manufacturing Safety Management
- Pre-Start Health and Safety Review for Professionals
- Process Change Safety Management (Industrial Ergonomics)
- Machine and Process Safeguarding
- Industrial Ergonomics Course
- Project Safety Management Systems
- Policies, Programs, Procedures
- PSM Outsourcing
- 9. Project Safety Planning**

szalady@aisc-group.com  
sales@aisc-group.com

Office -1st Floor Alhorria Building  
17 Fawzey Moadz Street, Alex., Egypt.

- Contractor Safety Prequalification Reviews
- Pre-Project Risk Assessments
- Pre-Demolition Designated Substance Surveys
- Construction Safety Documentation and Specification

## **10. Project Safety Assurance**

- Site Safety Inspections
- On-site Safety Supervision
- Safety Performance Tracking Systems
- Construction Safety Training
- Construction and Project Safety Management
- Asbestos Hazard Awareness
- Confined Space
- Fall Arrest
- Respiratory Protection Indoor Air Quality
- Health and Safety Training
- Hazardous Occurrence Investigation
- Ergonomic Assessments and Solutions
- Machine Safeguarding Audits and Safety Engineering Design
- Contractor and Project Safety Management Program Development
- Confined Space Assessments and Programs
- Health and Safety Program Development

Office -1st Floor Alhorria Building  
17 Fawzey Moadz Street, Alex., Egypt.

### **11. Laboratory Safety Assessments**

- Health and Safety Auditing
- Asbestos Consulting

### **12. Advancing Health and Safety**

- Resource Environmental Associates

### **13. Management Advisory Services**

- Safety Committee Member Certification
- Safety Committee In-house Support
- Workplace Inspections
- Risk Assessments
- Indoor Air Quality (IAQ) Monitoring
- Toxic Gas Detection
- Thermal Comfort Surveys & Heat Stress Assessment
- Noise Monitoring
- Construction Site Safety
- Soil and Surface Water Analysis
- Effluent Testing
- Ambient Air Monitoring
- Community Noise Assessments
- Data Formulation for Environmental Impact Assessments (EIAs)
